Safe Kids Day at the Zoo

**May 3, 2025
9 a.m. - 3 p.m.** | **Topeka Zoo
635 SW Gage Blvd.**

About the Event

Safe Kids Kansas Day at the Zoo is an annual event that teaches children and parents how to be safe and healthy throughout the year. It's an entire day of games and entertainment, interactive education and resources for parents combined with a day to explore the amazing Topeka Zoo.

1 out of 4 children in the U.S. needs medical attention due to preventable injuries. Luckily, there are things we all can do to ensure normal bumps and bruises don't turn into more serious and disabling injuries or deaths.
